KEY TERMS USED IN TABLE (*IMMIGRANT ELIGIBILITY FOR FEDERAL PROGRAMS*)

“Qualified” immigrants are: (1) lawful permanent residents (LPRs); (2) refugees, asylees, persons granted withholding of deportation/removal, conditional entry (in effect prior to Apr. 1, 1980), or paroled into the U.S. for at least one year; (3) Cuban/Haitian entrants; and (4) battered spouses and children with a pending or approved (a) self-petition for an immigrant visa, or (b) immigrant visa filed for a spouse or child by a U.S. citizen or LPR, or (c) application for cancellation of removal/

suspension of deportation, whose need for benefits has a substantial connection to the battery or cruelty. Parent/child of such battered child/spouse are also “qualified.” Victims of trafficking (who are not included in the “qualified” immigrant definition) and their derivative beneficiaries are eligible for benefits funded or administered by federal agencies, without regard to their immigration status. **“Not qualified” immigrants** include all noncitizens who do not fall under the “qualified” immigrant categories.

ENDNOTES

- 1 Eligibility may be affected by deeming: a sponsor’s income/resources may be added to the immigrant’s in determining eligibility. Exemptions from deeming may apply.
- 2 LPRs are eligible if they have worked 40 qualifying quarters in the U.S. Immigrants also get credit toward their 40 quarters for work performed (1) by parents when the immigrant was under 18; and (2) by spouse during the marriage (unless the marriage ended in divorce or annulment). No credit is given for a quarter worked after Dec. 31, 1996, if a federal means-tested public benefit (SSI, food stamps, TANF, Medicaid, or SCHIP) was received in that quarter.
- 3 Effective October 1, 2008, “humanitarian” immigrants who reach the end of the 7-year eligibility period or who lost SSI due to the time limit can get 2 additional years of SSI if they: (1) are under 18 or over 70; or (2) have been LPRs for less than 6 years; or (3) have a pending application for LPR status, filed within 4 years of getting SSI; or (4) are a Cuban or Haitian entrant, or (5) were granted withholding of deportation or removal; or (6) have a pending application for citizenship. Persons over 18 must submit a declaration that they are making a good faith effort to pursue citizenship. They can receive an additional third year of SSI if they have filed an application for citizenship.
- 4 Children are not subject to sponsor deeming in the food stamp program.
- 5 Disability-related benefits include SSI, Social Security disability, state disability or retirement pension, railroad retirement disability, veteran’s disability, disability-based Medicaid, and disability-related General Assistance if the disability determination uses criteria as stringent as those used by federal SSI.
- 6 In Indiana, Mississippi, Ohio, South Carolina, and Texas, TANF is available only to immigrants who entered the U.S. on or after Aug. 22, 1996, who are: (1) LPRs credited with 40 quarters of work; (2) veterans, active duty military (and their spouse, unremarried surviving spouse, or child); or (3) refugees, asylees, persons granted withholding of deportation/removal, Cuban/Haitian entrants, and Amerasian immigrants during the five years after obtaining this status. Indiana provides TANF to “refugees” listed in (3) regardless of the date they obtained that status. Mississippi does not address eligibility for Cuban/Haitian entrants or Amerasian immigrants.
- 7 In Wyoming, only LPRs with 40 quarters of work credit, abused immigrants, parolees, veterans, active duty military (and their spouse, unremarried surviving spouse, or child), refugees, asylees, persons granted withholding of deportation/removal, Cuban/Haitian entrants, and Amerasian immigrants who entered the U.S. prior to Aug. 22, 1996, are eligible for full-scope Medicaid.
- 8 In Alabama, Mississippi, North Dakota, Ohio, Texas, Virginia, and Wyoming, full-scope Medicaid is available only to immigrants who entered the U.S. on or after Aug. 22, 1996, who are: (1) LPRs credited with 40 quarters of work; (2) veterans, active duty military (and their spouse, unremarried surviving spouse, or child); or (3) refugees, asylees, persons granted withholding of deportation/removal, Cuban/Haitian entrants, and Amerasian immigrants during the seven years after obtaining this status. Wyoming provides full-scope Medicaid to “qualified” abused immigrants and persons paroled into the U.S., regardless of their date of entry. In Texas, Amerasian immigrants are eligible only during the five years after obtaining this status; Mississippi, and North Dakota do not address eligibility for Cuban/Haitian entrants or Amerasian immigrants.
- 9 In states that opt to cover fetuses, SCHIP provides prenatal care regardless of the mother’s immigration status. The scope of coverage depends in part on how the option is implemented.
- 10 For applications based on Social Security numbers issued on or after Jan. 1, 2004: must have been assigned a Social Security number that was, at the time assigned or at any later time, valid for work purposes. Alternatively, must have been admitted to the U.S. temporarily for business or as a crewman when the relevant work quarters were earned.
