The following message is sent on behalf of Philip T. Miller, Assistant Director for Field Operations:

To: Field Office Directors, Deputy Field Office Directors, and Assistant Field Office Directors

Subject: For Immediate Posting: *Deferred Action for Parental Accountability (DAPA) and Expanded Deferred Action for Childhood Arrivals (DACA) Eligibility Flyers*

On November 20, 2014, the President made an executive announcement outlining several areas where the Department of Homeland Security (DHS) will take action to increase border security, focus enforcement efforts, and ensure accountability in our immigration system. Pursuant to this announcement, the DHS Secretary detailed specific requirements that effect the operations of Enforcement and Removal Operations (ERO), to include: 1) a listing of revised removal priorities; 2) the extension of Deferred Action for parents; and 3) the expansion of eligibility for the Deferred Action for Childhood Arrivals (DACA) program.

In response to the Executive Action, ERO has produced two flyers. The first flyer, *Deferred Action for Parental Accountability (DAPA)*, provides information regarding the revised DHS civil immigration enforcement priorities and extended availability of Deferred Action for parents of U.S. citizens and lawful permanent residents. The second flyer, *Expanded Deferred Action for Childhood Arrivals (DACA) Eligibility*, provides information regarding the expanded DACA eligibility requirements. Both flyers identify where members of the public and detainees can seek further information.

ERO Field Offices are directed to immediately print and post copies of both flyers (in both English and Spanish) in all ICE detention facilities. Postings should include areas where it will be accessible to detainees (housing areas, dining halls, law libraries, etc.). In addition, the flyers should be posted in areas within ERO Field Offices, such as processing areas and waiting rooms, where it will be easily visible to individuals interacting with ICE. The flyers may also be handed out in response to public inquiries. Public inquires may also be directed to the ICE ERO Detention Reporting and Information Line (DRIL) at **1-888-351-4024**. Live trained operators are available Monday through Friday (excluding holidays) from **8:00 a.m. to 8:00 p.m.** (Eastern Time).

Questions or concerns regarding this broadcast should be addressed to ERO Custody Programs at [b)(6);(b)(7)(C)]

To: Field Office Directors and Deputy Field Office Directors
Subject: Deferred Action for Childhood Arrivals (DACA)

As you are all aware determinations concerning a person's eligibility for DACA must be made on a daily basis. If an alien claims or appears to meet the requirements for DACA the Field Office will utilize the attached Prosecutorial Discretion checklist (no other checklist should be used) as an aid in determining their eligibility under the guidelines set forth in Secretary Napolitano's June 15, 2012 memorandum entitled, "*Exercising Prosecutorial Discretion with Respect to Individuals Who Came to the United States as Children*".

All checklists will be signed by a Supervisory Detention and Deportation Officer or higher and placed into the A-file. Please work with your local Office of Chief Counsel to address any questions or issues regarding qualifying factors for the exercise of prosecutorial discretion related to Deferred Action for Childhood Arrivals.

Questions regarding this tasking can be submitted to East Operations Acting Unit Chief (b)(6);(b)(7)(C) at 202-732-(b)(6);(b)(7)(C) or West Operations Unit Chief (b)(6);(b)(7)(C) at 202-732-(b)(6);(b)(7)(C).

Subject: Update – Documenting Use of Prosecutorial Discretion in ICE Systems Due to November 2014 Executive Actions

Distribution: All ERO Law Enforcement Officers and Agents

This is an update to the guidance issued on November 26, 2014. The ENFORCE Alien Removal Module (EARM) has been updated to reflect two new values (DACA and DAPA) as Detention Release Reasons. Please review this updated guidance to document the release of those aliens who appear to be eligible for deferred action using one of the appropriate detention release codes.

Release Type	Release Code	Class	Requirements
Deferred Action for Childhood Arrivals	DACA	Those who came to the United States as children and fulfill the associated requirements	<ul style="list-style-type: none"> • Came to the United States under the age of 16; • Have continuously resided in the United States since January 1, 2010; • Were physically present in the United States on June 15, 2012, and at the time of making their deferred action request with USCIS; • Had no lawful status on June 15, 2012; <p>AND</p> <ul style="list-style-type: none"> • Have graduated from high school, obtained a general education development (GED) certificate, are an honorably discharged veteran of the Coast Guard or Armed Forces, are currently in elementary, junior high or middle school, or secondary school, or are enrolled in an education, literacy or career training program (including vocational training), or educational program assisting them to obtain a high school diploma or GED; • Have not been convicted of a felony offense, a significant misdemeanor offense, or 3 or more misdemeanor offenses; and • Do not otherwise pose a threat to national security or public safety
Deferred Action for Parents of Americans and Lawful Permanent Residents	DAPA	Those who are parents of U.S. citizens and lawful permanent residents and fulfill the associated requirements	<ul style="list-style-type: none"> • Had a U.S. citizen or lawful permanent resident son or daughter on November 20, 2014; • Resided continuously in the United States since January 1, 2010; • Were physically present in the United States on November 20, 2014, and at the time of making their deferred action request with USCIS; • Did not have lawful immigration status on November 20, 2014; • Are not a DHS enforcement priority; and • There are no other factors, in the exercise of discretion, that makes a grant of deferred action inappropriate

Note: Aliens currently in ICE custody who will be released due to the November 2014 Executive Actions will be released either on: an Order of Supervision, for those that have Final Orders of Removal, utilizing the I-220B; or, an Order of Recognizance for Aliens who are Pre-Final Order, utilizing the I-220A. These records will then be managed as a non-detained Alien with regards to reporting requirements.
