Do you guys know when we will actually get the AG letter? Just want to make sure Dimple and I have a chance to read through that before ASI finalizes the memo.

Chad,

So the old phrasing:

(b)(5)

A large rectangular area of the document is redacted with a solid purple fill. The redaction covers the majority of the upper half of the page.

Becomes:

(b)(5)

A very large rectangular area of the document is redacted with a solid purple fill. This redaction covers the entire middle section of the page, from just below the word 'Becomes:' to just above the sentence 'This should be pretty close to final.'.

This should be pretty close to final.

Thanks,

Gene P. Hamilton
